VAT RELIEF

Certain goods can be zero-rated for VAT, these are those designed or modified for use by people who are chronically sick or disabled. These goods are clearly marked on our website with this symbol: **VAT RELIEF**. Such products are only available at zero-rate VAT when purchased directly by an eligible individual for their personal or domestic use, or when purchased by a registered charity for use by that person.

A person is considered eligible if they are 'chronically sick or disabled'. This is defined as a person:

- with a physical or mental impairment which has a long-term and substantial adverse effect upon his/her ability to carry out everyday activities;
- with a condition which the medical profession treats as a chronic sickness, such as diabetes; or
- who is terminally ill.

If you are ordering goods that are eligible for VAT Relief, please complete the declaration form below. We will deduct VAT from your order for eligible items. If you are in any doubt as to whether you are eligible to receive goods or services zero-rated for VAT you should consult Notice 701/7 'VAT reliefs for disabled people' or contact the National Advice Service on 0845 010 9000 before signing the declaration
